   COTE Reports; New Format

   Support green energy policy! Help spread the social media campaign brought to you by dozens of higher education national associations in support of sustainability.

   On Twitter, follow @climatefixes and @energyfixes.

   On Facebook, search for and like climatefixes and energyfixes.

   Thank you Debra Rowe, Ph.D., Advisor and Program Director
   Higher Education Associations Sustainability Consortium, www.aashe.org/heasc
   Founder and Facilitator
   Disciplinary Associations Network for Sustainability, www.aashe.org/dans
   Sustainability Improves Student Learning Project, http://serc.carleton.edu/sisl

6. Member Reports

7. Anticipate (Plan, Announce)
   - **2018 NCSE National Conference and Global Forum on Science, Policy, and the Environment** will include a report out from the NCSE Census Report on Sustainability January 23-25, 2018; Washington, D.C.; registration is open
   - **Moving Forward 3.0 Workshop**, November 14-15, 2017, East Chicago, IN
   - **The State of American Democracy: Oberlin, November 15-17**
     The goals are to: (1) clarify the historic, legal, and policy origins of our present situation and (2) collaborate in the making of a post-2020 agenda for reconstruction to rebuild the resilience, fairness, capacity, and durability of democratic institutions that have been decaying for decades and are now under direct assault

8. Other Items

Next Meeting: December 4, 2017
Alumni Center Board Room
